

## **There's a Miracle in Your Mouth**

It's Just Simple Quantum Physics, That's All  
by Pastor John Hamel

"Jesus answered and said unto them, Verily I say unto you, If ye have faith, and doubt not, ye shall not only do this which is done to the fig tree, but also if ye shall say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive."  
(Matthew 21:21,22)

Many of us have been around the Word of God long enough to know that Jesus said we can have what we say. Of course, we can only have what we say when it is based upon what God has already agreed to do in the Bible. Jesus is talking about finding a Scriptural promise for something and speaking it forth with the words of our mouths.

Here in Matthew 21:21 where Jesus referred to speaking to a mountain, He was referring to mountains of human obstacles, or problems. Look at something interesting Zechariah said about mountains in the Amplified Bible.

"...Not by might, nor by power, but by My Spirit [of whom the oil is a symbol], says the Lord of hosts. For who are you, O GREAT MOUNTAIN [OF HUMAN OBSTACLES]?"  
(Zechariah 4:6,7 Amplified Bible)

It is pretty obvious here that Jesus, like Zechariah, was making reference to human obstacles when He referred to the mountain in Matthew 21:21. We can take the Word of God and stand up to any obstacle that confronts us, commanding the obstacle to be removed and it must obey.

If your obstacle is sickness, you can take one or more of any of the healing promises of the Bible and move that mountain of sickness by the very words of your mouth. If your obstacle is financial, emotional, moral, social, etc., simply find in the Bible where God has agreed to do something about your obstacle and begin to speak the promise (or the solution) over the obstacle (or the problem).

If you have not been receiving from God as proficiently as you desire, I believe the following three keys will help you.

### **Repent of All Negative Communication**

The Apostle Paul said without repentance there can be no faith towards God. (Acts 20:21) If you have been allowing Satan to use your tongue to speak words of doubt, sickness, failure, rejection and destruction, you need to first ask God to forgive you for that.

Some people come to Jesus and give Him their families, business, money, body and possessions, but they stop at the tongue and say, "That's mine, Jesus. You can have everything but that."

You need to realize that Satan knows if he can get you to use your tongue against yourself, he can shred you into small pieces. The only authority he has over you is when he can get you to start speaking his will into your life.

"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, SEEKING WHOM HE MAY DEVOUR:" (1Peter 5:8)

Notice that Satan must seek for those whom he may devour. He cannot just devour everybody or he would have done so by now. Satan is looking for those who will speak his words of destruction, granting him access into their lives.

Repent. Repent. Repent. Repent. Repent if you have been letting Satan use your tongue to do a number on you. God will forgive you. (1John 1:9)

### **Recognize Your Need for Supernatural Help**

"For every kind of beasts, and of birds, and of serpents, and of things in the sea, is tamed, and hath been tamed of mankind: BUT THE TONGUE CAN NO MAN TAME; it is an unruly evil, full of deadly poison. Therewith bless we God, even the Father; and therewith curse we men, which are made after the similitude of God. Out of the same mouth proceedeth blessing and cursing. My brethren, these things ought not so to be." (James 3:7-10)

Jesus did not tell us to tame our tongues only to have his half brother, James, to tell us that no man can tame the tongue. Jesus and James are not contradicting one another. James is telling us that we cannot tame the tongue, as Jesus instructed, without supernatural assistance. He is telling us to ask the Holy Spirit to help us to tame the tongue. We cannot do it alone. James himself said if we need wisdom and help in a situation, we could ask the Holy Spirit Who would give it to us freely.

"If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him." (James 1:5)

James said God would give liberally all the supernatural help needed to tame that wild tongue of yours before you kill yourself or someone else with it. (See Matthew 12:35-37, Mark 11:23, Psalm 141:3, Proverbs 18:21.)

### **Pay Attention. Pay Attention. Pay Attention.**

Most people do not even pay attention to what they are saying. They just talk because they feel the need to talk. Some people think that just because no one else

is talking, it means they should be talking. They just ramble on and on and on. They do not even listen to the curses they are pronouncing upon themselves or their loved ones. Some people go on and on so much that they should join the new support group called "On and On and On Anon."

Start paying deliberate attention to everything you say. When you catch yourself saying something negative, ask yourself this question. "Is that what I really want? 'Cause I'm going to get it if I keep saying it."

As long as you keep saying things like, "My husband is just a drunk and he never listens to me about Jesus." or "My kids are disobedient little monsters." That's what you will get. Your husband will get drunker and your kids will become more monstrous.

There is an area of research in Science called Quantum Physics. Quantum Physicists will tell you that atoms, neutrons and protons actually respond to human words. Scientists have literally watched atoms, neutrons and protons become excited and respond positively as positive words were spoken to them. They have also literally watched as atoms, neutrons and protons slowed down, becoming irresponsive and seemingly lifeless as negative words were spoken to them.

Do you understand what you just read? The source of everything in existence that lives, atoms, neutrons and protons, respond negatively or positively, depending on the words being spoken over them. This is a scientific fact. This is a fact that Jesus understood thousands of years before anyone thought of such a thing as Quantum Physics. This is what Jesus was referring to in Matthew chapter 21 in our opening Scripture text.

Jesus understood the Law of Quantum Physics way back then because Jesus created Quantum Physics long before He ever came to Earth as Heaven's Solitary Missionary. (Colossians 1:16)

Yet, there is something even more fascinating about all this Quantum Physics business. The same Scientists have discovered that by simply looking at those same neutrons and protons moving within an atom, they can also have an effect upon them. When they expect the neutrons and protons to stop moving as a result of being looked at, they will. When they do not expect the neutrons and protons to stop moving within the atom, they will not.

I don't know about you, but for me, this certainly confirms Jesus was right on the money with everything He taught about speaking and expecting our words to come to pass. Expecting the supernatural really is the key to life.

This, of course, has made Believers out of many Quantum Physicists, too. While other Physicists who have witnessed this phenomenon are so shocked by it, because

it turns on end everything they believe about the origins of life, they insist there has been no such discovery. That's almost as bad as the people who say there was no Jewish Holocaust. Lying does not make the truth go away. You simply cannot un-ring a bell.

Your life is what it is today because of words spoken over you, by yourself or someone who was responsible for you in days gone by. If you don't like the way things are, you can change all that by beginning to speak new words today. God's Words, right out of His Book. You can become an armchair Quantum Physicist for Jesus!

"Behold also the ships, which though they be so great, and are driven of fierce winds, yet are they turned about with a very small helm, whithersoever the governor listeth. Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth! And THE TONGUE IS A FIRE, A WORLD OF INIQUITY: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell." (James 3:4-6)

Are you destroying yourself and your loved ones by letting your tongue do its own thing independent of your brain and spirit?

Someone said, "Well, I don't believe in all that saying stuff. It doesn't work. No matter how hard I try, it just doesn't work for me." I told that person, "Sure it does. It's working for you now. You keep saying it does not work no matter how hard you try. Therefore, the harder you try, the more it does not work. You've got the thing in reverse with the accelerator to the floor. Why don't you put that power to work for you instead of against you?"

"Beat your plowshares into swords, and your pruning hooks into spears: LET THE WEAK SAY, I AM STRONG." (Joel 3:10)

"Take with you words, and turn to the Lord: say unto him, Take away all iniquity, and receive us graciously: SO WILL WE RENDER THE CALVES OF OUR LIPS." (Hosea 14:2)

The Hebrew word for "calves" in this verse is actually "sacrifice."

It takes faith and sacrifice to say, "My God meets all of my needs according to His riches in glory in Christ Jesus," when you are having to walk everywhere you go because you still don't have that car you asked Him for.

It takes faith and sacrifice to say, "My God meets all of my needs according to His riches in glory in Christ Jesus," when you are living in a rundown ole shack, eating crackers and watered down soup while all the other anti-Word of Faith believers are calling you a heretic.

You are just going to have to endure. God will pull you through if you can stand the pull. He is undoing some things you got all tangled up by operating the Law of Quantum Physics in reverse for all those years. You dug a hole for yourself. The least you can do is give Him a few months to clean up that mess and bring you up and over. The least you can do is say what He says about your situation and give Him half a chance to prove Himself strong on your behalf.

Keep speaking faith words. Things are happening behind the scenes. The same principles that were once your problem are now your solution.

"A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things. But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment. FOR BY THY WORDS THOU SHALT BE JUSTIFIED, AND BY THY WORDS THOU SHALT BE CONDEMNED." (Matthew 12:35-37)

These are the words of Jesus Christ, not Dr. Kenneth Hagin or Dr. Kenneth Copeland. These men have simply been raised up by Jesus Christ to restore the message of the operation of faith to this generation. People who come against these sincere, enlightened Prophets of God apparently do not understand they are actually coming against the Lord Jesus. (Psalm 105:15)

I made up my mind that I'm not going to run with the crowd who's all hung up on what God doesn't do for people. I'm not going to run with the crowd that strips faith out of the hearts of God's precious creation. I'm running with those who dare to not only believe what Jesus taught about the power of words but who also dare to speak their faith. I would rather be a "Name it & Claim it" than a "Doubt it & Suffer without it." How about you?

"THROUGH FAITH WE UNDERSTAND THAT THE WORLDS WERE FRAMED BY THE WORD OF GOD, so that things which are seen were not made of things which do appear." (Hebrews 11:3)

"Who being the brightness of his glory, and the express image of his person, and UPHOLDING ALL THINGS BY THE WORD OF HIS POWER, when he had by himself purged our sins, sat down on the right hand of the Majesty on high;" (Hebrews 1:3)

Not only did Jesus create the world around us with the words of His mouth, He keeps it from falling apart with the words of His mouth. Jesus expects us to keep our personal worlds from falling apart by using the words of our mouths, as well. That's what the Bible means when it says we are created in His image and likeness. (Genesis 1:26)

It's time to stop using your mouth to mess up your world. It's time to start using your mouth to create the kind of world you want to live in.

It's time to start using your mouth to create the [miraculous](#) in place of the [disastrous](#).

What Jesus is actually saying in Matthew 21:21 is, "There is a multitude of miracles in your mouth. It's just simple Quantum Physics. That's all!"
